“ I was a good friend of Bob. We went to OLGC and De La Salle together. I always considered him my best friend. We hung out every day in the summer. The last time I saw him was in 1971. he was a good person and friend. We lost contact through the years. I read about his passing on 1-5-14 by searching internet. For me the world isn't the same as before. Even though I haven't seen him in many years I would remeniss and it would make me happy. But not any more. I wish things could have been different. I hope the family sees this post at such a late date. If you see this my name is Robert Bylicki adress 21397 Sabrina macomb Twp. If I could be of any help about the past or I would like to know if any one in the family would see this Love Bob.
