“ This is still such a shock to know that you are gone, Bob. I had just seen Jennie last week, and learned that you would soon have a new grand-daughter. I know how much she would have loved you, and how much you will be missed in her life. I know that Max gave you such joy (and you also gave him MUCH joy and laughter in your days together). You will always have a home in my heart, dear cousin. You could always make me laugh and smile. You will be dearly missed by our entire family. I hope you are sitting with Aunt Jennie now, and happy to be together again.
Brandon, Cory, Geri, Uncle Al, Sharon, and Allen....my heart is with you in your sorrow. Love you all!##imported-begin##Marilyn Rollinger##imported-end##

“ Just found out about Robert. I went to school through 8th grade with Robert and his brother Alan. I remember Robert as such a nice person, always getting yelled at by Sister Hilary for dumb reasons. Another high school classmate just emailed me the obituary. Michele Podraza Nalepa was in the other 8th grade and below classes. So very sorry to hear of your loss. I'm sure his spirit will be with you always and you will have the memories forever.##imported-begin##Diane Madalinski Dopierala##imported-end##

“ Dear Gerri,
We are so sorry for the loss of your beloved Robert. We share your grief and are very saddened about his sudden death, especially at 59 yrs of age. I just wanted you and the entire family to know that we are thinking of you all, keeping you in prayer. May Our Dear Lord be with you and his loving family to carry you all through the grief of physically losing him. May the Dear Lord show Robert His love and mercy, as I pray He does for all of us.
May Our Lord fill you with His peace.

“ Bob was a wonderful father and an even more loving grandfather to his little Maxwell. We will all truly miss him and wish we could have had another 20 years. I'm happy he got to know that his next grandbaby is a little girl, he was so proud. I loved him as a step-father and admired him as a loving father to his sons, Brandon and Corey. He will never know how much he will be missed. We all love you very much.##imported-begin##Jennifer Helchowski##imported-end##
