“ Mike & Family,

*I will always remember the generosity your mom (& dad) showed toward my parents during the summer baseball season of 1983 playing on Charlie Kafori's team. Your mom always brought "extra" food and drink to the games and shared with my family (times were tough for my parents). I bet you did not remember that. But I did. I will always be grateful for what she did and I will "pay-it-forward". God bless all of you during this very emotional time. I will keep her and all of you in my prayers.*

“ Our love and memories of "Bobbie" started so many years ago - from grade school at St. Clements, Centerline, through to the present. We shared those married years, raising our families, the exchanging of holiday and summer party times, through to the visits when we returned to Michigan. Since we do live in Florida, we will not be able to attend services.

*However, our thoughts and prayers are with your family through these difficult times and always dwell on the love and joy that you have all shared, as we will also.*

*May God grant you his peace, which, we know, surpasses all human understanding.*

*With all our love,*
