“ My name is Jennifer Wyatt. I had Mr. Borowski as a History teacher my sophomore year at Kimball. I liked his laid back attitude combined with his fantastic knowledge of history. He was an awesome teacher..

“ I had the pleasure of working with Bob on "Polish Wedding" - a film shot in Detroit. We worked for 13 weeks together and have been friends ever since. I am so sad to hear this news. Bob was an inspiration.

“ Hello, my name is Susie King and I was a student of Mr. Borowski's in 1975 at Kimball High School. Years later I was his travel agent and booked numerous flights for Bob and Kathy to and from Florida. He was a joy to work with. Always polite, kind and good hearted. I enjoyed talking with him about his modeling jobs. I retired from travel and we have not spoken in a couple of years and sadden to hear of his passing.##imported-begin##Susie King##imported-end##

“ I have had the pleasure of knowing Robert since, oh lets see, 1973, when I was sitting his US History Class at Kimball. He taught me more about life than you could learn in a book. Bob touched many peoples lives in many ways from when he coached to when he taught. As I took over for Bob when he retired from Kimball years ago I feel that I best honor Bob by passing some of his teachings, his personality, his compassion, and his zest for life onto the next generation. Bob is one of the main reasons I went into teaching. I just hope I can live up to his expectations.

Miss you Bob,

“ Hello, my name is Barb (Arno) Modrack and I was a student of Mr. Borowski's in, probably about 1968, as a freshman at Kimball High School. Despite the passing of 38 years, I remember his lectures vividly, not only for what I learned but for how much I enjoyed them. He was a wonderful teacher and everyone in the world should learn about Rasputin the way he presented it. I can picture it even today. My heart goes out to his family at this time.##imported-begin##Barb Arno Modrack##imported-end##

“ *I was deeply saddened to read of Mr. Borowski's passing. He was my homeroom teacher at Kimball High School. I always looked forward to those few minutes that we spent together each day. Shortly after graduation (1973), I received a letter from him which I have still have. I took it out this morning to read it and just smiled! Please know that he made a difference in my life. God bless you, Mr. B.*
