“ I just checked my email from returning from a vehicle launch and I am totally blown away by Bob's sudden passing. I previously worked with Bob while we were at Textron together testing new parts on the Jeep Wrangler. His skill, knowledge and hard work were essential in completing the testing on schedule and under budget. I considered him a good friend and he will be sorely missed. My prayers go out to the family and be assured he will not be forgotten.

I just received the unfortunate news. My heart goes out to Bob's family. I never stayed in communication after Jr High, (JFK). I remember Bob and the fun we used to have playing sports in little league. God Bless all of you whose lives Bob touched so deeply. He is in my thoughts and Prayers. “ *Cindy and family, I'm sorry to hear Bob was taken so soon and suddenly. I remember Bob, and Cindy, as good friends and fun people. Bob loved Cindy since he was a boy in high school. Bob sold me his paper route, on his home street of Recreation in St Clair Shores. We goofed around together through the junior high and high school years. Bob was always around his family, who helped him grow into a dedicated and hard working person. Bob mom always made the best birthday cakes.*

I recall Bob falling in love with Cindy during our early years of high school. It was a love that lasted, even as Bob went off to the Navy right after high school. Cindy, Bob openly spoke of how he loved you, even as a young high school boy. I'm sure this is a love that will continue forever.

I am saddened I lost touch with Bob and Cindy over the past years. I am more saddened to hear he was taken so early from his family.

May God bring you comfort, and loving memories of this good man.

Take care my good friend.

“ Dear Mrs. Adams & Family,

I just wanted to take a moment to extend my sincere sympathy to you and your family regarding the loss of your husband, Robert. My family can understand what your family must be feeling to some degree as my father also passed away suddenly as a result of a stroke almost 30 years ago. Such a sudden loss can really take an emotional toll on a family. Besides the loving support we received from family and friends, we also found comfort from regularly reading the Bible. A few scriptures you may find comforting are Psalm 46:1; Psalm 145:14; John 11:25; and Revelation 21:4. Please read them when you feel up to it. Your family is in my thoughts and prayers. Please take care.##imported-begin##Mrs. A. J. Middleton##imported-end##

Our thoughts and prayers are with you.##imported-begin##Kerry Houser##imported-end##

“ Dear Cynthia and family,
Bob will be remembered as a "gentleman". He was unassuming with generosity. I will cherish the time spent with him at Lear.

Romans 5:1-5

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ:

By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God.

And not only [so], but we glory in tribulations also: knowing that tribulation worketh patience;

And patience, experience; and experience, hope:

And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.###imported-begin###Al Timer###imported-end###

“ Allow me to express my profound sympathies on your families loss of a great man. I was deeply saddened to hear the news of the sudden loss of Bob. My thoughts are with you and your family during this difficult time. As a group Bob's co-workers are all in a state of shock. He will be greatly missed by everyone who knew him, worked with him and in particular those who like me had the good fortune to know him as a friend.

He was a hard working and inspiring person who always met any challenge in front of him and more times than I can mention made the impossible----possible. He also had a way of making the normal business day a little brighter with a friendly comment or a hearty hello.

During this difficult time, I know you will draw upon your own strength and the strength of loved ones that hold you in their thoughts. Remember the Lear world is filled with people who care about you and are thinking about you in this difficult time of sorrow. My family joins me in a special prayer for you and your family.
