Tribute Wall

“ Looking back at all the good things that Bobby had accomplished before he passed, it really shows us what a great man he really was, to always having care and love for his family, to just making sure everybody was having a good time. Now that he is in a place where there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for all former things are passed away. This is why we should all be happy for Bobby, and one day we will all reunite in heaven again, and be together eternally. We will all miss you Bobby, and think of you everyday. I hope you are having a fun time riding all the horses in heaven, just remeber to save me one.

Love,

Jared###imported-begin##Jared###imported-end##
