“ I had the privelege of working with Bob for many years, at Draftline Eng, Stellar Eng, Tower Automotive, & Gestamp Mfg. Bob was a very talented Designer, & Process Eng. He had a photographic memory. I think Bob memorized every didesign Standard book, Ford, GM, & Chrysler. Bob never had a harsh word for anyone kept to himself and worked his butt off. I enjoyed talking on the phone with him about fishing, boats, the auto business & whatever came to our minds he was a great friend. Bob will always be in my prayers.##imported-begin##Joe Staller##imported-end##
