“ I deeply regret Uncle Bobs passing. Bob was my Confirmation sponsor and my favorite relative. He introduced me to military electronics and showed me the detail involved in machining. Everytime I saw him we did something neat with metal or wood. I will always remember him in my thoughts and prayers.##imported-begin##Roy J. Lamkin##imported-end##

“ Ohhh Aunt Jean, Linda, Steve, Grant, David, Karen, Jeff & Kaylee;  
*There are no words to express our sadness or to take away your hurt. Please know how much we love you all & how very much we loved Uncle Bob. So many wonderful years - so many wonderful memories: How his mom spoiled him so; our fun camping trips ~ even the one with the 'road full of frogs' and Uncle Bob brought them in the car (boy did that upset mom); family bbq's; growing up in awe of the cool cars you owned - I was always SO proud of you; Uncle Bob was always the DJ at family doings...and he was so funny doing that; teaching my sister Ruth to dance in the basement; for being my sister Janet's "very own godfather"; for not being really angry at me for locking the storm doors when I babysat; and you always really listened when we talked to you, you didn't look away or treat our questions to you as silly. Thank you for that. For your support & love over the years - we thank you. We love you Uncle Bob! You will be with us always! No family could have ever picked a better Uncle than YOU. Go enjoy your beers now - and hey, while you're at it: play in the street (I hear they are paved with gold). :)  
Love always & always, Diane and Don##imported-begin##Don &
