“ Dear Doreen, Kristy, Amy and family.  
Sorry this heartfelt sympathy to you has been so delayed. Bob was born with what should be called the "angel smile," it is how he greeted everyone. Bob was always happy just to see you. The last time we met, he "raved" about his girls. Your all in my thoughts, prayers. Just wish there was something or some words that could be written to make this better. A friend told me recently that time is the healer of all things...however, this journey is not something to heal from, it is the next journey of when we meet again, that I think keeps us going... we will get to see his 'angel smile' again.##imported-begin##Audrey Polk##imported-end##

“ Dearest Doreen, family and friends

*I am very sadden to hear of Bob's passing. It's been a long time since I've seen Bob or The Hunter Family. I have very fond memories of Bob from the days of being a kid and going to Russell Island with my dad (Ron Miller). Bob was always so much fun, one of my favorites friends that my dad had. A few funny, yet cherished memories of Bob is when he would slip me a buck for getting him a beer out of the cooler. As well as when he would help out the kids tug o war team during the competetions at Russell Island. He always made sure whichever team us kids were on that we won. Bob's kindness and love of a great time will always be remembered. Rest peacefully Bob, we will see you again some day and when we do it will be just like old times. Sincerely, Brigitte Miller (Ron and Hilary Miller's daughter)###imported-begin##Brigitte Miller (Cornwell)###imported-end##*
