“ To the family of Bob:  
We have just learned of BOB's passing and we cannot believe it. Bob & Jim went thru the academy together and he used to come to our upper flat. He once brought over a turkey that his mom had started for him and he didn't want to eat alone, so he brought the food over and I finished the rest of the meal at my house and we ate. He was such a great guy. I am truly sorry we did not find out sooner. Please accept our deepest sympathy.##imported-begin##Jim & Diane Thornton##imported-end##

“ Toni and Jackie...I send my condolences to you and your family on the loss of my cousin Bobby. I have happy memories of our times as children and the gatherings at my parents home in Sault Ste. Marie. We lost touch through the years but reconnected via email when my mother passed away in Sept. of 06 and a couple of emails about the time of his mother's death. Makes us all realize to enjoy every day because as the bible says, death comes like a thief in the night. My prayers are that God grants you comfort and peace in your grieving.
