“ *I am so sorry to hear of Bob's death. I worked with Bob at Hutzel  
Hospital. He was a true "giver" to all those that worked with him.  
Bob could always do the things that others didn't want to do or  
couldn't do. I never heard him say an unkind word about anyone.  
He was a true friend and a big supporter of all around him. He was  
the "salt of the earth". My prayers are with Bob and his family. Don

“ Dear Family, Our heartfelt message to all of you in the loss of a great husband, father and grandfather. May you find comfort in the words below.

*Message From Heaven*

*When tomorrow starts without me*

*And I am not there to see*

*If the sun should rise and find your eyes*

*All filled with tears for me.*

*I wish so much you would not cry*

*The way you did today*

*While thinking of the many things*

*We did not get to say.*

*I know how much you love*

*As much as I love you.*

*And each time that you think of me*

*I know you will miss me too.*

*But when tomorrow starts without me*

*Please try to understand*

*An angel called my name, And took me by the hand.*

*And said my place was ready, In heaven far above,*

*And that I would leave behind ,*

*All those I dearly loved.*

*But when I walked through heavens gates,*

*I felt so much at home.*

*When God looked down and smiled at me,*

*From his golden throne.*

*He said "This is eternity,*

*And all I promised you"*

*Today for life one earth is past,*

*But here it starts anew.*

*I promise no tomorrow*

*For today will always last,*

*And since each days the same way,*

*There is no longing for the past.*

*So when tomorrow starts without me*

*Do not think were far apart.*

*For every time you think of me,  
I am right there in your heart.  
Love and may God's arms hold you tight

“ Uncle Bob – You will be missed by many but left with us some great memories to live with. Going back to some of my earliest childhood memories I remember your first wife, Aunt Donna, Pam & Shari’s mother. I believe I was only about 5 or 6 years old, I remember my mom getting a phone call and then my mother breaking down into tears when she found out Aunt Donna had suddenly passed on at the young age of 28. I remember my parents telling me Aunt Donna went to heaven to be with God. I did not understand at the time how this could happen; now my cousins Pam & Shari would not have a mother.

That changed when you met and then married Aunt Gen, whose 1st husband also died at an early age; suddenly I had 3 more cousins! Cheryl, Diane & Kim and a little later down the line Aunt Gen became pregnant and I then had another cousin, Tom. Finally somebody for me to pick on and boy did my brother Rod and I pick on Tom! Now you had your own Brady Bunch.

I have great memories of going up north playing with my many cousins on a tire swing hanging from a branch of a tree, playing in the sandpit and pumping water by hand from a well, going on trailer rides around the dusty dirt roads, going on chicken walks, riding mini bikes, motorcycles, snowmobiling and hunting every November. We loved going up north just sitting around the camp fire. I will miss you always yelling at me saying I am making the camp fire to big!!!

We will miss you and never forget you thanks for the good memories.
