“ Rods Grandfather and my Grandfather were brothers. Guess that makes us second cousins. Lived in Detroit and always had fun going out to "The Farm" and having fun by playing ball, target practice, snowmobiling, etc. I spent 3 summers there in my early teens doing some actual farming. Thanks for the great memories. RIP Rod. 🙏. Tom Wilkewitz

“ Rodney was a great guy. He was also a very good welder. I personally hated working on a piece of equipment that he welded something on. it took me days sometimes to get things apart. For the family I like to share this link for the hope for the future for Rodney. Is There Hope for the Dead? https://www.jw.org/finder?srcid=jwlshare&wtlocale=E&lank=pub-imv_4_VIDEO

“ So blessed to spend quality time with Rod the past few weeks of his life. He fought hard and loved hard. I miss this man something crazy but am so thankful for our time together.
