“ *Uncle Rome, they don't come any kinder than you. You always had a smile on your face and were always laughing. We so loved our family traditions together from the years of going up north to cut down our Christmas trees, to the so many family birthdays and get togethers including Christmas Eve at your house. You will be forever missed. My deep condolences to Debbie, Karen and Doreen and to your grandchildren and friends and other family members. Rest in Peace Uncle Rome. I know Aunt Dee was waiting for you with a big kiss and hug.*

“ *Memories....Rome was my big brother who I looked up to, taught me how to play baseball and keep score, let me play ice hockey with him and his friends and tag along to the Saturday movie matinee. He was patient, gave good advice, teased and played "jokes" on me which I will never forget and still smile about to this day. His patience and teaching skills helped me with my 9th grade Algebra. As adults we enjoyed taking our families tobogganing and sledding. He was a great golfer and gave me some great tips. We shared the identical sense of humor, happy and fun moments together, never to be forgotten.*

Rome and Ed always enjoyed each other's company and conversations. Our three children always enjoyed their Uncle Rome's humor and calm manner.

Debbie, Karen, Doreen and your families, we extend our most deepest condolences to each of you in the loss of your loving Father and Grandfather, and may memories of him sustain each of you.

*Our Love and Prayers,
Aunt Liz, Uncle Ed and Family*
