“ *I worked with Rocko for 15 years and there wasn't a day that he didn't say good morning KB when he was walking out of the shortage meeting and passed my desk. I considered him a great friend. I checked in with him just to say Hi and let him know he was in my thoughts and prayers. He will be missed. We wish to extend our deepest sympathy to the family. “ So very saddened to hear of Rocko's passing. My mom and Rocko's mom Margaret (who was my Godmother) were lifelong friends, so over these many decades the Carions have been part of our extended family. Fond memories of many family get-togethers and good times. Bill and Peg, and Rocko's family, your loss is our loss, too.
