“ *My family had many fond early childhood memories with Ron's family. "Bacco" as we knew him back then, was always very fun and vibrant at our holiday parties, Cottage time and outdoor activities. We love him and will miss him very much. Prayers and best wishes to the family.*

“ *I'm so sorry to hear of Ron's death. I remember cousin Ron talking and laughing with a deep voice and a beer in his hand while patting someone on the shoulders in a gesture of "join me in telling stories and enjoying the moment". Good bye cousin Ron. You'll be missed.*
