“ Ron was a great provider to his wife Patty, my best friend. He kept a stocked freezer and refrigerator for his children all through their growing years! Steak and potatoes kind a Man! His kids never did without! His front and backyard were immaculate with his ground keeping ability! I remember one time in particular when the kids were playing football the boys I couldn't believe how big they have grown - it had to be all those steak dinners and Patty's good cooking abilities! Patti was the most loving wife that Ron could've ever had! Ron did an excellent job on this earth for his family now let's let him REST! A job well done Ron! Ron was taken way too soon rest in peace!
