“ So many fun summers at Compass Pointe boating with you guys! The reason I first met you guys was because I was varnishing my Chriscraft which was on blocks and y'all were partying next to it . I didn't want fingerprints in the paint or varnish so I hung out with you guys til you went home for the night! This went on all spring! Needless to say a friendship came about! Plus you used to work where I work now! Small world ! Ron you are a great guy ! You will be missed by all that knew you ! Til we meet again my friend!

“ I remember going to a car show with Dee and Ron. Afterwards we went to a brewery in Rochester. Ron locked his keys in his Chevelle. We found a shoelace and a paper clip in the trunk of our Chevelle and managed to get his car open!
