“ Mike, my condolences to you and the rest of the Wernette family. I remember when your dad would call the office he was always kind and it was a pleasure talking with him. You and your family are in my prayers.

“ This was such a shock for us all at Shelby Manor Apartments. He will be greatly missed. I am one of his pinochle, scrabble and darts players. He really loved playing these games. I always enjoyed when he and Pat would sing songs and play name that tune during our pinochle games. He was one of the only men in the building that was brave enough to play with us women. The players donated money to the heart association that was mentioned on obit, card will be sent to his apartment and hopefully forward to you.
