“ I moved back to Michigan a couple years ago and was saddened to hear of Ronald's passing. I have so many memories of sleep overs, picnics, pool party. Both Ron and Rosemary have been kind to me when I was young and I'm sure I was a pain but they never let it show. My prayers are with the whole family.

“ I remember being at Debbie’s wedding , a month after my second child was born, looking at this loving family sitting at a table nearby ,and saying to my girlfriend “ that is what I hope my family will look like one day “ I had the pleasure of working with Rosemary for years , and could see and hear thru stories shared , this family’s love . Thinking of all of you , in our heart , and on our mind ... Marie

“ Ron and I were partners on the East Detroit Police Department for eleven years that ended upon his retirement. We were teamed together longer than anyone on the police department in our careers do to the excellent job performance of our partnership. We made things work through the good times and the bad. Ron to me was the brother I never had and will miss him.

You friend forever,

Gary Owen
