“ *I have so many fond memories of Ron. He pushed us all to be the best that we can be. He would take nothing less from his employees. He tried so hard to get me to work on time for 5 years but that was one challenge he never succeeded in! Tuna fish sandwich and coffee for lunch most days. Ron was like a second father to me and I will forever appreciate all he taught me both professionally and personally. Pat and Karen my thoughts & prayers are with you.##imported-begin##Karen Jefferson##imported-end##*

“ *Mr. Darga was my first boss over 30 yrs. ago at Barnes. He changed my life. I was just 18 yrs. old and decided to go to college for accounting and he not only encouraged me but gave me the opportunity to go to school and work part time for him. I have so many fond memories of him, especially when times were rough at work and he would just show up and give you that famous neck rub, so you could make it through the rest of the day. I'll never forget the time he brought his bowling ball to work and made a lane in his office! I am so lucky that I had him in my life at the time that I did. I am so sorry that you lost him so young. Know that he is looking down on you and giving you peace and love from above. Sharon Broderick Schatzberg##imported-begin##sharon broderick schatzberg##imported-end##*

“ Pat & Karen,

Sorry for your loss. We retired in Mesa, Arizona and love it here. Our daughter Cindy also moved here recently. Kathy and Bill are still in Michigan. Remember the good times that we had in the 60's playing cards, etc.

“ Ron was a dedicated employee and employer! He was my manager and supervisor for a few years at Independence One Mortgage Corp.

Ron had a habit of growling like an "Old Bear", but everyone really knew that he was as gentle and loving as a "Teddy Bear". I will always have fond memories of Ron.

God Bless your Family and please follow Ron's advice and remember all the Happy Times!

Respectfully,
