“ Although I have only met "Grandpa Ewald" a few times, he has made the impression on me that he has always been a very nice person. I enjoyed when Megan would take me over to his house, and I would talk and get to know him and his wife little better each time. I know he will be missed, because he was a special part of their family. Our prayers are with your whole family at this time and always.##imported-begin##McKahla Breck, and Family##imported-end##
