“ I wish to express our appreciation for all your kind words, support and prayers for Ron and us. Ron was strong in his love of God and together we would go out to the cemetery and plant flowers each mother's day for our parents, aunt and sister. He is now with them and when I carry on now without him - I am sure he will be there with me. He helped make perogies for the church and did the Stations of the Cross at Resurrection Cemetery every year. He touched the lives of many more people than he realized he did. And didn't realize how much others cared for him and the thing he most longed for was to be loved. So all your prayers for him will not go unheard. God bless all of you.

“ Dear Ron:

*You were such a kind hearted guy who was very thoughtful in sharing your home grown vegetables with us and the wheat cookies that you had baked recently and had me taste test them. The list goes on. You were such a hard worker around your home and that you always wanted it looking nice and neat. Thank you for the help that you had given us when we needed it. You will be remembered.*

*Dear Mike, John and Family:*

*Rick and I are so very deeply saddened by Ron's death. Our heartfelt sympathy is with you both and to your family in this time of sorrow. May God give all of you the strength through this most difficult time. Our thoughts and prayers are with you. God Bless you all.*

“ To Ron's Family~

*We are so sad to hear about your loss. Ron was my parents neighbor and I will always remember him giving us his home grown veggies. I can remember one of the first days he moved in because my friend and I came home from school and I forgot my keys. He helped us get in a side window, hoping that I lived there! Recently he won a set of small toys and was kind enough to give them to my son. Our thoughts and prayers are with your family. Remember the good times and stay strong for one another. God Bless.*
