“ Ronda was one of my oldest friends for more than 20 years. When I was just starting out having in the professional world Ronda took me under her wing and mentored me and included me in her family as another little sister. I'm quite saddened by the news of her sudden passing. I've been reflecting all week on what a lovely, funny lady my friend Ronda was. She was such a bright light in the world and I'm so grateful for so many funny and heartfelt moments we shared. I can still hear her voice and all her euphemisms. I always admired her steadfast love for her family, her incredible closeness with her husband Tony and how proud she was of her boys. It's what she loved to talk about most. Ronda planted a lot of hope and laughter in my heart and I will miss her greatly. My deepest condolences to her family and all who knew her.
