“ It is so unreal that you have passed.I realize it everytime I look at Gary's saddened eyes. You were a wonderful grandpa to my children and I thank you for that. The kids both have great memories they will cherish of their time spent with you. I will miss your kindness and contagious smile. Rest in peace.

“ *We go back so many years and have so many memories. Ron with his subtle sense of humor, always willing to give a helping hand.*

*Many years ago Ron was Chris's baseball coach, in fact, according to Chris, the best baseball coach he ever had. Ron was "Kool" and they were the "gang", and although it didn't matter (yeah right), they did win first place.*

*Many good years of camping together. We loved to tease him about "stealing" the "Mitchell" firewood because it burned so much better. The "fiesta's", Christmas in July, fishing (with complimentary bats at sundown), so many good times. We missed you dearly when you left.*

*Ron, always with his gentle voice and a wide smile. May all the good memories comfort all of you, may you hearts heal and find peace.*

*Love,

“ Our Dear Bernie and families, Our hearts go out to you we know the love you all share and only imagine your hurt and pain. Of course we loved Ron too and made us feel like family. Who else would take us and Marion and Floyd on their honeymoon and share several anniversaries with us too. On all our journeys and visits together we have only joyful memories and have relived them together many times and forever are etched in our hearts. Ron was such a gentle soul and gentle man who gave so much love not expecting anything in return but he surely has been loved and will be so missed by everyone. There just aren't enough adjectives to describe his goodness imagine what a wonderful world this would be if there were more Rons. His laughter still rings in our ears, what a fantastic man. Gods promise is a better place and may we one day all gather at the crystal river.##imported-begin##skip and lee##imported-end##
