“ "Trup" was one of rare people that cared about the customer, the product, and the soldier; before the bottom line. It was a pleasure working with him at Chrysler HED through all its changes into Pentastar, and beyond. God Bless.##imported-begin##Coe Case##imported-end##

“ Rosario was a wonderful man of great talent and kindness. I loved to hear him sing for he sounded like musical heros of my past e.g. John Charles Thomas. He sang the "Lord's Prayer" like no one else on earth. He was the featured singer at the Rochester Prayer Breakfast, and stunned the crowd. The million dollar house he built was a testament to his superior talent.I hope to see him with his savior Jesus.##imported-begin##David Herweyer##imported-end##

“ A loving Grandfather that I looked up to for all the years of my life. I have much trust in my faith that he is in a truly better place, looking down upon us, wishing he could hug each and every one of us and tell us he is ok. I know this to be true with every part of my being.

Grandpa, I love you and you will be greatly missed.##imported-begin##Danielle, Michael and Allyson Morgan##imported-end##
