

## Rose Marie Buckley

December 26, 1939 - October 26, 2020

Rose Marie Buckley, our beautiful mother and friend left us much too soon at the age of 80. Rose, the beloved wife of Jack Buckley joined him in eternity on the 26th of October, 2020. This wonderful woman and dear friend to so many, taught us all how to deeply care for each other. As the mother of six children and grandmother of six, she was a master of keeping her family close, even when far away, which resulted in a loving family with close friendships. Many of her friends will remark that her deep caring even extended to the most recent delivery of homemade masks to keep everyone safe and sound. Rose, the loving mother of Rhonda (Kelley Bishop), John (Sue), Janet (Dwayne Frye), David (Kimm), Jennifer (Eric Fluet), and William (Stephanie Yelenik). Dear and proud grandmother of Sara, Kyle Frye, Jacob, Quentin, Trevor Frye, Megan and great-grandmother of Colsyn. Dear step-grandmother of Nicolas and Benton. Dear sister of Norman (Sharon) Swope and Dorothy (Jim) Ezyk. We will all deeply miss our Rosie.

Visitation 3:30 - 7:00 pm Friday, October 30, 2020 at Gendernalik Funeral Home, 35259 23 Mile, New Baltimore.

Instate at 9:30 am until 10:00 am Mass, Saturday, October 31, 2020 at St. Mary Queen of Creation Church, 50931 Maria, New Baltimore.

Memorials may be made to the Karmanos Cancer Institute.

“ Hello Buckley family, I keep thinking about Rose. She was the most loving person. And she had that mellifluous voice! She should have been on the radio. Rose volunteered in my office and I so enjoyed her energy. We had some memorable lunch dates over the years. I am thinking about her every time I put on one of the masks she sewed this summer. She changed the world in many ways: by giving birth to the amazing Buckleys (RHONDA!!) and through her gentle kindness which was an example to me. What a woman she was. Love to you all at this time. “ Rose was a kind, giving, loving woman. The minute you entered her home, she was offering you something to drink or eat. She was famous in our group for her soups. Even after Covid, She would call and say " I made a big pot of soup and can't eat it all, may I bring you a bowl?". She made face coverings for her neighbors and called to check on us. Her neighbors will miss her always.
