“ Dear Sheri, Darren, Kayla, Cassidy, Sue,
Steve and the rest of your family,

Rose was a dear, sweet woman. Now she is together with your Dad Charles in Heaven.

We feel blessed to have been able to know both of them (even though it was only for a short time). God's plan must have been that your parents would always be together...on earth and in Heaven...so that they would not be lonely without each other. What a wonderful couple! When they were both at Macomb Hospital, they spoke lovingly of each other and couldn't wait to see each other. Thank God that a wonderful RN made a visit possible! We know that your heartbreak must be very great. May God bless you with understanding, strength and peace.

Love,
Steve and Liz Epperson

“ My thoughts are with you & your family during this horrific time. I feel blessed to have crossed paths and been able to bring them together, tho they were so so sick. Charlie loved Rose, & Rose loved Charlie. That twinkle they both had in their eyes, when they were able to see and talk to one another said it all. It was like fresh new love all over again. Palms sweaty. Hearts racing. Flowers in hand. A lifetime of love & memories. And I hope you are able to find comfort that once again, they are together. Thinking of you. And go blue!!!:-)
