“ Patrick, Karen, and Kelly,
I am so sorry to hear about your loss. I will always remember what a great patient Rose was. I loved my little Rosie. She was my reason to want to go to work the next morning, so that I could see her smiling. Whenever I saw her it brightened my day. I am so lucky to have met Rose, I only wish I could have come and visited her and tell her how much she inspired me. All of our talks about nursing. When I get into the Nursing program I will thank Rose. I will never forget you guys. Love you all

“ Pat and Family,

It's hard at a time like this to understand the saying "When God closes a door, he opens a window. Sit back and feel the breeze." Rose was such a wonderful, beautiful person, and her legacy is glowing in all of you. What a beautiful family you have. We are praying for you and your family. Will miss waiting on you both at Roger's Roost. Glad our paths crossed. Love to you all.

“ Dear Patrick,
So sorry to hear about the death of your beloved wife Rosie. She & I used to work for Credit Data Corp. many years ago. I hope you remember her telling you about me (Diane Baker). She was fun loving person to work with. I just happened to look it up the death notice thru my computer and I was so shocked. Would you please send me a memory card of Rosie (Martinisi) Knoche? Would appreciate it very much.
My Florida address is 202 Silver Lake Dr. #106, Venice, Florida 34292.
God Bless! Diane J. Baker##imported-begin##Diane Baker##imported-end##
