“ Rose was beautiful inside and out. Dear Family, know that you are in our hearts and prayers at this time. Personally, Rose touched my heart. I would take my mom, Emily Patrishkoff to her condo to visit. She was very loving in her actions and words. Before my mother died, she wanted me to take her to see Rose. I remember and will always remember what I witnessed. The two of them were seated knee to knee, holding hands. Rose looked into my mom's eyes and said, "Emily, we are ready when God wants to take us." My mom said, "Yes." It brought me to tears. I had been giving care to my mom for a long time, always striving to help her live longer. It made me realize that the strong belief they had in God and where they were going, they were at peace with whenever God called for them. Each visit with Rose was special. I can't say enough about her genuine big heart. She emitted pure love. God Bless All of YOU at this sad time. Love, Mary and Dave Klonowski and Steve Patrishkoff
