“ *I just heard today from Jeff Morgan that Rose passed away. I want the family to know that we all loved her very much. My brother Dan was just telling me she was like a mother to him, always listening and giving good advice at her kitchen table. I can still picture her and my mom, Barb Morgan, with notebooks in their arms handling the students of Henry Ford II. They were the 2 best hall monitors around. We were all better people knowing her. My thoughts and prayers are with you all.##imported-begin##Eva Corona##imported-end##*

“ Dear Gloria & Family - My thoughts and prayers are for you today. I can remember your Mom being one of the best fans any softball team could ask for.
