“ I was so sorry to hear that Mrs. Kay had passed away. She was such a fun, sweet lady. She was always very hospitable to those of us who hung out at the Kay home in high school. I'm so sorry for your loss and especially want Paul to know that I'm thinking of him. Renee##imported-begin##Renee (Napier) Mosley##imported-end##

“ I work at St John Macomb Hospital in the Emergency Room and know Mrs. Kay from being a patient in our E.R. I also grew up in Hamtramck (but have since moved out of Hamtramck) and know both her son's who are Hamtramck Police Officers. I couldn't believe it when I read in the newspaper of Mrs. Kays' passing. I still can't believe it, I'm in still in awe to hear of her passing. She was a fine lady and I enjoyed speaking to her whenever she came into our E.R. to be seen. I really would of liked to have come to the funeral home but I didn't see the notice until after the service was already done. Please accept my heartfelt condolences to her husband Frank and her family for her passing. She was an awesome lady and I'm sincerely sorry for the families loss.##imported-begin##Karen (Allen) Meyers##imported-end##

“ Hi

It was with sadness that I read about your mother's passing today. I went to school with all of you, but was in Paul's class. I have very fond memories of "hanging out" in your basement on Yemans in middle school and high school years. Your mom was always very nice to me.

My prayers are with all of you that you get through this difficult time together and that you hold dear memories of your mother in your hearts as you go about your lives. May God bless you all.

I'd love to hear from Paul if my email address can be passed on!
Again, my sympathy to your family.
