Beautiful in Blue - May 18, 2021 at 12:00 AM

“ *I was in essence raised by a collective of amazing mom's...one being Rosemary Curl. She was always present at tennis matches and cheered me on as if I was her own. She fed me countless times (granted that meant throwing \$20 at us to go grab dinner somewhere 😭). She helped me get into university and walked me through financial aid/scholarship forms so I could afford to go. She provided the opportunities that led to where I am today and I will be forever grateful. I am so very sorry for your loss. She made this world and my world so much better. Sending all my love and the hugest of hugs to you all.*
