“ Sue and family,

*I am so sorry to read your mom passed. I was looking for a neighbor's obituary when I recognized your maiden name. You have our deepest sympathies and prayers. I love the picture you posted of your sisters and your mom. All of you have such beautiful hair and smiles! I know your mom is proud of each of her family members. It is so difficult losing our parents. Part of our heart goes with them. God bless you as you face this difficult reality of going on without your sweet mom.*

*Very Sincerely,*

*Mark, Bridget, Kaitlyn and Daniel Bobick*

“ *It was March 14, my birthday. I was 9 years old. Dan was bringing Rosemary over to our house so we could meet her. I received a strict warning from my mother to be on my best behavior. No making fun of Dan and I was told to say nothing and not expect Rosemary to bring me a gift. Not only was I shocked that Dan would be able to land such a beautiful woman but guess what. SHE HAD A PRESENT. It was a battery operated boat. It was the best ever present to give a 9 year old boy. It was certainly better than the underwear I got from my parents. I have never forgotten that day and I mentioned it often to Dan and Rosemary how great of a day it was. Funny, I only remember 2 presents that I ever received. My first bike and that battery operated boat. It has been a tough 5 months for us. Putting to rest my 2 brothers and now my sister in law. I know that they are watching over us but it is difficult for me to not have them watching with me. I love you. Dave*

*“ Rip Mrs Oldani. We had great times on all our family vacations when I was young with my family, the Giurlanda's and your family the Oldani's. So glad we got to get together a couple of years ago right before my parents moved to AZ. Praying for all the family.*
