Tribute Wall

“ *My prayers and sympathy to you and your families Nancy and Chuck, with the passing of your sister, Rosemary. I learned of her death through the Macomb Daily and wanted to share my condolences and fond memories of her with you. Nancy, you probably are the only one who might remember me, Pat's girlfriend and co-worker at Detroit Edison 1953 - 56. Your family welcomed me into your home on Detroit's west side many weekends. Wish you well. Fondly, Althea###imported-begin##Althea Jenkins Lanuzza###imported-end##*

“ *Shawn,*

Thanks for thinking of us. We all sure will miss Rosie as part of our lives, especially the kids.

For many of them, she was the first person they really knew, who passed.

Her beautiful spirit will live on in the lives she touched... in the beauty we all see...in the beauty she helped us to realize. We are grateful and lucky for her influence and love.

Take Care,

Linda###imported-begin##Linda A. Kahler###imported-end##
