“ *To memory of our sweet and loving Aunt Rosa,*

Aunt Rosa delighted in sharing her authentic handmade Italian pasta, lasagna, meatballs as well as a variety of pastries with those she loved. Aunt Rosa enjoyed the loud voices and roars of laughter while gathered in her kitchen as food was passed around her kitchen table in large dishes . We will always remember her instructing us to mangiare which means 'eat up' in Italian. Not only was Aunt Rosa a wonderful hostess and cook she was a talented in creating her handmade blankets and baby clothes for her children, nieces, nephews and extended family & friends.

Aunt Rosa will be greatly missed as we cherish the time she was with us. We continue to hold her memory and numerous handmade blankets close to our hearts as they are passed on for many generations.

Love you and will miss you so very much Aunt Rosa.

“ *My Dearest Mother,*

I was so lucky to have you as my mother. My fondest memories of you where on Sunday morning making your sauce and listening to your Italian hour that you always looked forward too and listening to you sing to your favorite songs with your beautiful voice. You installed in us you strong work ethic with your “no work, no money”. I will miss your sweet little face and your feisty little spirit for the rest of my life. Until we meet again. xoxo

“ *Aunt Rosa was kind, generous and hard working. Every time we went to her house for a family celebration or holiday, she would have an unbelievable amount and variety of home cooked Italian dishes and baked goods. She always made sure we had enough to eat. She also loved to knit. She made my son, Philip, two blankets. One when he was an infant. That blanket is still his "go to" blanket when he wants to be warm or is not feeling well. We often thanked her for making it. We will miss her very much. --- Bob Keenan*

“ Dear Joanne and Family. I am so terribly sorry about the passing of dear Mrs. Caprara. She was such a sweet lady and ALWAYS had a smile. She made the very best cookies, and I was privileged to eat a ton of them! I will always cherish the beautiful Afghan that she made me. (I almost got 2!). She was so strong in many ways. I once saw her lift a chair (Lol!) I loved seeing her when she visited your home. She was a joy and will be missed by all. Love The Kennedys

“ Dearest Rosa, I am heartbroken to hear of your passing. I have so many memories of you and your home. It was a lively place! Much different from my own, I learned quickly that when you were excited your English would turn to Italian. You were a fabulous cook, baker and pasta maker. I had never seen homemade pasta strung up from one clothesline to another. I remember your face beaming with pride because this was a exceptional batch. You especially impressed upon me what hard work and dedication looked like and how important those qualities are. Thank you Rosa for so many memories. I will never forget you and the love you showed me. God Bless You!

“ Nonna was the best grandma anybody could ask for. She taught me how to work hard and always do my best. I will always remember the times we spent making pasta, meatballs, and cookies together in her basement. I will always remember to "be smart, and watch yourself!" like she always told us. Nonna I hope you are watching over us and can see how much we've all grown since you could last remember us. We love you.

“ Dear Caprara family, we are so sorry to have heard of the passing of your beautiful Mom, Rosa. My Mom always spoke highly of her as they grew up together in Supino. I fondly also remember working with her at Penna's nearly 40 years ago, she was always so kind. Keep your precious memories of her alive always.

“ I am so sorry for you loss. Your mom was always nice to me and giving me bread for Nana and Beepa. When Beepa ran out, he always said, "don't you need to see Adelina?" LOL. She was a very sweet person and will be missed.
