“ *Death of a loved one is never easy. May you find an abundance of comfort in your family, friends and especially the future blessings found in Jehovah God's word. He has promised to swallow up death forever and reunite us with all who fall asleep in death. (Isaiah 25:8, John 5:28,29) As a God of love who cannot lie we can certainly trust all he says to come true. (1 John 4:8 & Titus 1:2) It is my hope that these words and the fond memories of your loved one sustain you through this most difficult time.*

“ *Roy and I shared the finest of times and the darkest hours together. He was truly a friend and a person who cared about others he encountered in the workplace. He provided a steady flow of practical advice and managed with an eye toward far off goals rather than immediate gratification. I know Roy will be missed. However, the example he gave us shall continue to influence our lives for the better.*

*Sincerely,
