“ Roy & I were in the same organisation at GDLS vetronics during the mid 80s to mid 90s. He has been to my home in Shelby Twp & I have been to his home on Romeo Plank to use his staple gun. After i left GDLS, we still chatted over the phones couple times when I was in Tucson & St. Louus.
My condolence to his family..

“ Connie, I'm so sorry to hear of Roy's passing. You know better than anyone that a butterfly is a symbol of rebirth. Roy is now in heaven with a new, perfect body, free of pain and imperfection. If there's anything I can do for you, please call me. I can help you this summer with garden work, cutting lawn, anything you need. I would love to give back to you for all you've done for me by sharing your butterflies with me and hundreds of children.

God's blessings,
Renate
