“ Dear Millie and family,  
I would like to extend my deepest sympathy for your loss of one of the true hero's. Roy stood for truth and the right things. I was so disappointed when Roy cancelled on going to Americade and Laconia with our group, because I knew that travelling with him was going to be such a cool experience. But we understood that he had other obligations. Roy had a peace that I can only hope to get a small portion of. A true warrior for Christ! I will miss him beyond what mere words can say. My prayers are with you and your family. May God grant you peace and understanding at this difficult time. With deepest respect, Harry Knopp###imported-begin##Harold Knopp###imported-end##

“ A Poem for the Bailey Family:

*"Inside My Lid"*

*Inside my lid, it's peaceful there  
The perfect place for praise and prayer  
I lift my voice to the Heavens above  
And sing to the Father of my undying love  
Then I pray for loved ones with earnest please as I'm blasting past  
the rivers and trees  
Inside my lid, it's a special place  
Where I'm learning more about His grace  
Communing with God, my Savior and Lord  
While reflecting on his Holy Word  
Talking with Jesus, my closest friend,  
Our relationship growing with every bend  
Inside my lid, just God and me  
Whilst enjoying creation, vast and free  
Like a black silken thread, I love the open road  
Where I give him my burdens, and he carries my load  
To some, just a bike, but to me much more  
It's my chariot of praise to God I adore  
Inside my lid, should I die in that place?  
In that very same second I'll see his face  
He'll smile and greet me as a long lost friend  
As He welcomes me Home to that Heavenly  
Land  
Smile too as you think of me riding up there  
Taking my bike for a spin around Hallelujah Square###imported-
