Tribute Wall

“ I was thinking of Rudy the other day as I had seen or heard of him in probably over six months. Over the years I did legal work for and and listen to his tribulations from time to time, as it seems others did not want to listen to him. Rudy was a kind man, an intelligent educated man striving to attain peace personally, spiritually and intelligently. Dave Zaffina##imported-begin##David J. Zaffina##imported-end##
