“ *My dear friends and family, I would like to thank all of you for your fond memories, kind and comforting words. I love you all so much for your love and understanding. There isn't one of us who has not been touch by the grief of the passing of our loved ones. It is difficult to even begin to share my wonderful memories of my dear father. All I can tell you is he was the kindest, and most understanding father anyone could ask for. We were all treated like his little princesses and was always there for us with the wisest advice. He was the first man I ever loved and will always be my hero. God bless you Daddy, and I will miss you until we are together again. All my love to you.*

“ We remember Russell from the AIO. He always came with a big table of family to the Christmas party. I played the accordion & he always requested the song Granada. He was very complimentary He asked me to play on Christmas Eve at bicounty hospital for his wife Rose. He was always kind and we missed him from the AIO and he will surely be missed by everyone. “ Dear Diane, JoAnn, Carol and Family,

Please know that you are all in our thoughts and prayers. Russ and Rose were founding members of Holy Family Parish in Novi, MI. We have been blessed with so many fond memories of both Rose and Russ. Their smiles, kindness, and concern was always present. Rose had a Italian school nite for us... We thank them for the memories.

I still miss you so much dad, and mom too. I know one day I will see you both again. Until then, there is a missing part in my life, a void that cannot be filled. I think of you and mom daily, and your love and your hugs. 😭
