“ Russ, all the kind words have been used and you deserve everyone
of them. I just want to tell you how very much I loved performing
with you and it will not be the same without you. Most of your
favorite performers have gone on before you, but I know you will be
right there among them.....and Russ, "There is no trivia in
Heaven", just good music###imported-begin##Lonnie

“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. We Love you Uncle Rusty and Will never forget you!!!!##imported-begin##The Hunter Family ##imported-end##
