“ *Ruth was our neighbor and our friend for over 40 years! I remember her swimming in the canal between our homes. She was always thoughtful and kind and inquiring about our lives even after we both moved. She would wave as she went by our house on her way to and from church. We loved her and will miss our annual Christmas card catch up. We are so glad to have known Ruth, a woman who left a positive impact on this earth. Love to you all, The Carroll Family*

“ *Ruth was my grandma and Godmother. She was loved dearly and will be missed terribly. I'll miss our ladybug connection that we've had for the last 50 years. I wish she would have hung around a little longer to see her 2nd great great grandson be born. I hope she'll be able to see from Heaven and have a front row seat! The obituary is wrong, Ruth actually had 8 grandchildren, 9 great grandchildren and 1 great great granddaughter and a great great grandson on the way. I'm sorry we weren't allowed to be at your burial... Rest in Peace Gram! xoxo*

“ I will always remember Ruth for her love and kindness first to me as she took me under her wings when I needed it most in 1970, then throughout the years as friends. Later on she became a friend to my mother also. When mom became ill, Ruth sent cards of love and encouragement every couple of weeks, and came to visit with mom. I am so sorry that her death came at a time when due to the pandemic, I was not able to visit her . GOD has another ANGEL in Heaven.
