“ The loss of a mother is so very hard. She is the one who keeps the family together. I think of her fussing over a dessert or meal she made, and it makes me smile...the times we got to take part in your family game table, (being skooshed), while she laughed, embracing that rare and special quality family time, that mothers so love. You will continue her legacy with all these things you continue in her honor-I pray that each day that passes,the memories of her brings you more smiles than the tears from the physical loss of her in your daily life...she is with you...and loves you all!###imported-begin##Pat and Brenda Creighton###imported-end##

“ Ruth Ann and I attended Saint Benedict High School in Highland Park, MI Ruth was a varsity cheerleader for our varsity sports teams during our junior and senior years. Ruth had the prettiest smile and it never changed from the time we met in the 50's to the time we met again as parishioners at Saint Paul's of Tarsus. That smile and her gentle way remained the same and continued to the day we greeted each other at Easter Sunday Mass. Our condolences and may God bless the Marx's family. “ Ruth was a very loving and wonderful lady, always smiling or laughing. She made you feel very welcome in her home. My Granddaughter (Desiree)wished that I could have been the cook that her Grandma Ruth was, but I could never be that person, because Ruth was the best!  
My heart breaks for Jerry, Sue,David,and Donald for the sudden loss of their wife and mother,for Dan,Roxanne, and Tammi for the loss of their mother-in-law, and for all the grandchildren,Chris,Meghan,Desiree,Josh,Michael,and Marisa. Think of all the good memories of Ruth to get you through this very difficult time.  
My thoughts and prayers are with the family.##imported-begin##Mary Bailey##imported-end##

“ *Thank you Ruthie for giving me such wonderful years with the loving son that you created and my children that came from our union. Thank you for being a warm, giving, mother, mother in law, and grandma. You have the biggest heart and the warmest kitchen filled with good times and even better family meals. Your passing was so unexpected that your death seems surreal, I am waiting to hear that joyous laugh and see your face light up with that smile, I'm even going to miss the card and dice games that you scream, laugh, and cheat at!
