“ *Dear Brian: It pains me to hear of your loss. When I think of my friends and loved ones that are now gone, the most comforting thing that I can keep in mind is that no one is ever completely gone, as long as they are remembered..My thoughts and prayers are with you and yours during these terrible and dark times..and I remain your friend....PETER##imported-begin##Peter Kuzma##imported-end##*

“ Ruth Lambka: I knew of you for many years when I first coached your son Brian in football at Brablec High School. You and your husband have always been an inspiration to Brian and his siblings. You are the mother that all kids wish to have and you showed all your love to your children during your lifetime on earth and that has showed in their many accomplishments and the great and loving kids they became.  
God Bless You!##imported-begin##Michael J. Smith##imported-end##

“ I'm very sorry to hear about the passing of Charlene. I grew up with Herb & Charlene, coming to my parents' house every Friday and going out for dinner and enjoying each other's friendship. They especially liked going to Hamtramck. When I grew up and got married, she always sent cards and gifts to my boys. I know her family met everything to her and she will be greatly missed.##imported-begin##Joleen Molnar##imported-end##

“ I met Ruth through my sister-in-law Pat Michelin. Since then we became friends. I will always remember the good times at the Baggie dinners, meeting for lunch (mostly Chinese), and the chats on the phone. She will remain in my heart. Next time our small group goes out for lunch...we'll ask for an extra seat and reminisce about our good friend Ruth.##imported-begin##June Michelin##imported-end##
