“ It was such a treat to visit Aunt Ruthy. When she opened the door, you knew she was glad to see you and the delicious aroma of coffee enveloped you. Even when I was too young to drink coffee, I loved the smell because it reminded me of being loved - the way I always felt in Aunt Ruthy's presence. She was such a kind lady and fun to be with. She made people - even the kids - feel that she was very glad they were with her. She will be dearly missed!##imported-begin##Susan Johnson Shea##imported-end##
