

## Sally Ann Molnar

April 2, 1955 - September 13, 2024

Sally Molnar of Macomb Township, Michigan passed away on September 13, 2024 at the age of 69. She was born on April, 2, 1955 in Detroit, Michigan to Raphael and Joan Rodriguez. Beloved wife of Peter of 49 years. Loving sister of Greg (Arlene) Rodriguez, Cindy (Tom) Pierce and Curt Rodriguez. Loving aunt of Christy (Michael) , Melissa (Max), Jonathan (Samantha), James and the late David. Proud great aunt of Dylan, Eddie, Vanessa, Joey, Oliver and Mason. Dear sister-in-law of Klara Molnar and Laslo Molnar.

Sally had a love for many things in her lifetime. She was crafty which is what led her to find a love for sewing which then to cross stitching and crocheting which she shared with family and friends. Gardening was a hobby that Sally enjoyed doing with her husband Peter and spending time in nature especially during the warmer months. Sally and Peter took time to travel to many different countries. In her spare time, she loved to bake, and her family was always open to trying and complimenting Sally's great baking. She took great pride in taking care of her pets and her family. She had a quick wit and a wonderful sense of humor which made it easy for Sally to make friends anywhere she went. Sally put all of her love into her family and will be greatly missed by everyone who knew her.

*Sally and I met in 7th grade. We both played flute and became fast friends through junior and senior high school. I always thought it was very cool to have a friend with an exotic last name, since I was a boring "Smith". Pete, my heart aches for you to lose your life's partner of 49 years. You are all in my prayers at this time. Joanne (Smith) Allen*

“ *I knew Sally from junior high through high school. We both played flute in band, so I saw her nearly every school day for nearly 6 years. I can't tell you how happy I was to see her at our 50th high school reunion last year! We had lots to share with each other. The news of her death was a heartbreaker, and I will always remember her fondly. My deepest condolences to Peter and all her family and friends.*

“ Sally is my sister in law, Cindi sister. For 35+ years, when I see Sally at family gatherings over the years, she was always so loving, caring, smiling and funny. She love her Jesus and I saw the faith in her. May God bless her soul.

*One of my favorite memories is when we were kids. I spent the summer with them and Sally was three years older then me but she shared her room and we went shopping and played records , and she let me hang out with her. I didn't want to go back home to Tennessee. When I had my first child she sent her the most precious dresses to wear. Sally was a very giving person, funny and loved her family and friends. I will miss you cousin.*

“ John and I live next door for 28 years and have known Pete and Sally for 50 years. Her outdoor cat, Callie, will miss her for sure since he's been around for over 10 years. She loved all her special cats and birds over the years. Their extensive awesome gardens are a delight for both she and Pete. She endeared herself in the neighborhood and is loved by so many. I already miss Sally. I enjoyed when she called Pete "Buddy". We send heartfelt love and prayers to Peter. 49 years is a long, long time. God be with her family and friends.

“ *Sally was a loving friend. She wore my veil in her wedding and loved that fact. She made the most beautiful bassinet skirt and matching window topper and little pillow in peach and white gingham to go with our first born's nursery of Winny The Pooh. We kept it for many decades. Last time I saw her we blew each other a kiss and she said she loved me. I did not know that would be our last encounter. Sally has a special place in my heart and in Heaven for sure!* ”
