“ Hi Manang Rebecca, condolence to all of you. In the passing of Manong Lito. I was told by Manong Lito Crisolo that you are living in Michigan that was 6 years ago. I tried to google your address with no avail even Manong Lito C. doesn't know your address. Luckily today I decided to look for and found this posting. I am sad of what had happened, I could have visited you kasi we always go to windsor. We even cross the border to visit Michigan. We are currently here in Toronto since 1998.
