“ *My prayers for the family and friends of Sal. I'm so sorry for your loss. I was his phlebotomist and in the short encounters I had with him I could feel the love he had for his family. I could feel the love he had in his heart and the faith he had in God. We would talk about his beautiful daughter and what his family meant to him. He loved you all very much. I told him I would add him to my prayer list, praying God would comfort and help him. I will continue prayers for all those who grieve his loss. May the resurrection of our Lord give you comfort knowing we have everlasting life in Him. Jenny G.*

“ *My brother, your memories will be forever in my heart. There's not a person I loved more than you. I had the honor to see you off into the paradise. Know that I will be there for your family. Know that as much as my heart hurts right now, I will always love you. We never separated even for a day. We never fought. You are my brother and I love you. I'll see you in the afterlife.*

“ *Sal was one of my best friends for 40 years. He was a very generous and kind person that would give you the shirt off his back. There is not enough words to say or express just how much he was loved and will be missed. I know he is in a better place but we all lost a great man and a dear friend.* ”

“ *Sal was a great friend. I was lucky to know him for many years. His death was too soon but his memory and life will live on through his daughter and everyone's life he came in contact with. We will never forget you Sal. Rest in peace, you are among the angels now. GOD bless your family and may their faith be strong through this tragedy. There will be many candles lit in your honor.* ”

Sal, You definitely made an impact on your friends you made along your journey here. I know this because just 3 days ago they were trying to figure out what day soon they could get to see you again, come visit before it was time. I'm sad you didn't get to see your Buddy's again before you had to go. We are all sad, you were way too young! Our thoughts are with your daughter and wife. Praying the best for them. Greatful you were a part of our lives... With love Kevin Fester, Tim, Tony, Michelle Schmidlin, & Matt Pons. Never forgotten and forever missed! God Bless...AC/DC

Cousin Sal, we barely crossed paths growing up as kids. After meeting you and your wonderful family at a wedding, we soon became FB friends to stay in touch. This is where I truly saw how special you were. God Bless, and R.I. P.
