“ *Lester, We are so saddened about the loss of Sandy, and the void her passing makes in our lives. She was a wonderful woman of God and heaven just got the best of the best. She was a great role model, friend and nurturer. Her wit, laughter, cooking and unconditional love will always be remembered. Thanks for being with us in all of our gatherings and sharing her with us! Love the Patrick Ropp Family*

“ Sandy and Lester are the brother and sister from different parents. We love them so much and are so sad for the loss of Sandy. She was such a tough and wonderful woman showing MS that it wasn't going to slow her down. She was not afraid of the battle she had with it and was victorious! Such a wonderful role model as a wife, sister and friend. We will miss her dearly and we know she is walking with Jesus. We were blessed by sharing her life and were better people for knowing her. She will certainly be missed and our love goes out to Lester, our prayers and condolences. We love you both so very much.
