“ I worked with Sande for several years at Neugebauer travel. It was a great and fun place to work. Went to her wedding. I remember her dad trying to make sure it didn't rain on her special day and having a plane drive over with a congratulations sign. Well, you're together again with your mom and dad.

“ *Sandy, my little sister, as you told all that I was your big sister, I will miss you here, but you will always be in my heart and your memories and spirit will be with me always. We've been through good times and rough times, but always together. Your mom and dad were like my second family, and I miss them too. We had a great life together, me babysitting you since your were 4, you babysitting for me (Jason), me babysitting for you (Alec and Jeremy). We had wonderful times together, BootJack, Florida, Bad Axe, at Grandma Jandereski's home, Mackinaw, and all the road trips we did. I know you are with your mom and dad; and you all are with me. God Bless, Love you, Rita*
